Tricycle Donation!

Thanks to the generous donation from Rachel Jefferson and Safe Kids DC these Radio Flyer trikes are perfect additions to the ECE afterschool program. We are grateful.

Problem of the Day

Have you seen it? It's on the front desk. The math problem of the day is for every grade on different days. Solve it by showing your work. If correct, you'll get a shout out and a prize!

Afterschool is Amazing. Own It!

The year started with a bang; The new playground, clubs, new students and staff; all are a part of the afterschool program 2017-18.

How you can help? I'd love to have your ideas and suggestions to make this program the best it can be.

Reminders:

- Afterschool ends at 6:00pm.
- I'll need your most updated contact information.
- Homework is part of the Academic Power Hour. We focus on homework for grades 3rd thru 5th for at least 30 minutes. Reading is required for at least 20 minutes daily.

FAQs:

- Why didn't my child make it to their club? These are logistics we are currently working on to go smoother. The older students are reminded of clubs & times daily at 3:15. Younger children are picked up by the club leader. Learning the classrooms and faces have been challenging but getting better with the help of the teachers who also have the rosters.
- When are the afterschool bills due? The 1st of every month \$82.50 per child is due. Please pay electronically to afterschoolpayment.dcps.dc.gov.
