January 2019

Afterschool's Got Talent
Twenty eight acts signed up to showcase their talent on a Friday afternoon. We had singers, dancers, a contortionist, card tricks, jokes, soccer tricks, human beat boxing, karate, parkour, cheerleaders and gymnastics all with our wonderful 5th grade MC hype-man, Kamari Tyson. Check out the article in the February issue of the Hill Rag.

Forensic Workshop
The Law Enforcement Museum visited afterschool 4th & 5th graders and gave an introduction to a variety of forensic science skills. The multi-station format allowed students to step into the shoes of a crime scene investigator and compile evidence. They learned to examine bloodstains, lift latent fingerprints and decipher DNA profiles.
