

Ludlow-Taylor Elementary School

Dear 5th Grade Parents,

It is hard to believe, but after years of classroom learning, field trips, fabulous teachers, friends, homework packets, and projects, our fifth graders will be **PROMOTED** to sixth grade! We are planning a very special day to honor our students for this wonderful accomplishment!

Promotion from elementary school represents a significant landmark in the academic experience of our students. It is a time for both students and their parents to celebrate having reached this threshold. The faculty and staff at Ludlow Taylor Elementary School are extremely proud of this accomplishment. Our appreciation for a job well done will culminate in our Promotion Ceremony on **Thursday, June 7th at 10:00 am** in the Rosa Simon Multipurpose Room.

Parents frequently ask about appropriate student dress for the 5th Grade Promotional Ceremony. It is important to remember that while 5th grade Promotional Ceremony is an important milestone in each student's life, it is not necessary to overdress for this event. We would like to keep it simple so that no family feels pressure to make major clothing purchases.

We are looking forward to seeing you at the Promotional Ceremony. We extend our congratulations to you and your student.

Here are the guidelines:

Boys

Sincerely,
5th Grade Team
