School Year 2022 - 2023

This year Ludlow-Taylor is excited to introduce an affordable Before & Aftercare program run exclusively by Ludlow-Taylor Teachers for the 2022 - 2023 school year!

Before Care

Rising Stars Extended Care will pilot a before care program from August 30th - September 30th. The viability of this service will be based on student enrollment. If you know that this is a service that you will absolutely need please register ASAP! Before care will begin daily at 7:10 a.m. - 8:10 a.m. Students will be dropped off at the main entrance of the school.

Aftercare

Aftercare will begin Monday, August 29th. The hours of operation will be from 3:30 p.m. - 6:00 p.m. daily. Aftercare will provide students with recreational time, engaging activities, and tutoring/homework support. Students will also have an opportunity to enroll in enrichment activities for an additional cost. Students that are signed-up for aftercare may attend their enrichment activity for that day and then return to aftercare once the enrichment has ended.
